Those present indicated they thought the event was well planned and that attendees found the event useful.

**5. Priorities survey**

Modify the survey we used last. Trish will try to add links to more information if the survey tool will allow it. The survey should be shorter and focused on state legislation.

We should have a print alternative.

It would be helpful there was mention of it on the next agenda and if Howard would promote it at the next Quarterly Commission meeting on January 9th.
