## **PUBLIC INPUT OPPORTUNITY**

### **Come share your views about the transportation planning process in the Central Massachusetts region!**

Every four years, the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) are required to review the metropolitan transportation planning process conducted by the Central Massachusetts Metropolitan Planning Organization (MPO), Massachusetts Department of Transportation, Worcester Regional Transit Authority (WRTA), area providers of public transportation, and local municipal partners in order to certify that they are carrying out the process in accordance with all applicable Federal requirements.

**As part of this review, the Federal agencies would like to hear from members of the public on their views of how the transportation planning process is conducted in the region during these sessions:**
