Agenda Item #4 – Transportation Improvement Program (TIP)

- **Potential Action:** Approval of Proposed Amendment #8 to the FFY 2025 to FFY 2029 TIP Highway Project Listing
CMRPC staff, Kevin Krasnecky, presented this item. Amendment #8 includes two changes to FFY 2025 of the highway list. These changes include:
 - Project #612874 – Shrewsbury – Worcester – Bridge Preservation, S-14-021=W-44-115 (1RA & 1RB), I-290 (EB & WB) over Combination of Lake Quinsigamond and Lake Avenue North
 - Change funding source from HIP-BR to NFA (Fair Share) funding.
 - Total project cost is \$23,098,070
 - The project will not be shown on the TIP because there is no longer a federal funding source.
 - Project #612608 – Worcester – Shrewsbury – Flood Relief on Route 20, Grafton Street (Route 122) Interchange to Flint Pond
 - Discretionary Grant funding (other FA) is being removed, and all funding is being switched to formula PROTECT funding.
 - The new project cost is \$7,320,880 (increase of \$1,711,127).
 - **MassDOT Comments:** MassDOT has decided to preserve the Discretionary Grant funding of \$4,627,660 for this project. The formula PROTECT funding would increase from \$928,093 to \$2,639,068 and the funding source would also change from PRCT to PRCT90, which means a

90% federal/10% state match instead of an 80/20. Total Project Cost is \$7,266,728.

Mr. Krasnecky noted that the proposed changes that were released at the June meeting for the Worcester/Shrewsbury Flood Relief project have been updated from comments received from MassDOT (see above) during the public comment period. Bill Filsinger questioned the price change for the Flood Relief project. Derek Shooster said that MassDOT received updated cost estimates for the project during the comment period.

John Daniel made a motion and was seconded by Bob Hassinger to approve the Proposed Amendment #8 to the FFY 2025-2029 TIP Highway Project Listing. All members present voted to approve the Proposed Amendment #8.
